

VIRTUS TRAINING FOR PARENTS & VOLUNTEERS

Virtus is mandatory for all parents & volunteers.

What is the Virtus Training?

For any organization, the best practice to prevent wrongdoing, including child sexual abuse, is to have an organization use its own people to facilitate awareness of the issue.

We begin by making adults that interact with children aware of how to protect children. The PROTECTING GOD'S CHILDREN program for adults is a three to four hour awareness session that instructs adults that interact with children that to protect children you must have continuous awareness and vigilance. This awareness session makes trainees understand the signs of child sexual abuse, the methods and means by which offenders commit abuse and five empowerment steps one can use to prevent child sexual abuse.

How do I register?
