- Be the character - Dramatic Monologue
- If you were Ned Begay (Kii Yázhí) how would you describe your role in Code Talkers – make sure you include your feelings and what it is you did to protect our nation
- A monologue is a speech delivered by one person, who exposes inner thoughts and provides insights into his or her character. The character/person speaks out their thoughts about a specific event or situation and tells us how they are feeling at that particular time. Monologues are written in first person (I think/I feel).
